KHS Involvement

Due to limited time and resources, the Kentucky Humane Society (KHS) staff and volunteers, in most cases, cannot provide support to plan, promote and/or attend events. Any promotional efforts needing KHS support must be discussed and approved by the KHS Marketing & PR department.

Typically, third party events do their own publicity. However, with approval, you may use the KHS name and logo. All materials using the logo must adhere to KHS Graphic Standards and be approved by the KHS Marketing & PR department before final printing.

KHS will not assume any legal or financial liability for the above referenced event. Completion of this form does not guarantee approval. Please allow 4-5 business days for notification from the KHS office. Thank you!
